BRILLIANCE WITH ETHICS

## Warm Greetings

At the onset, we would like to thank all of you for your continuous support and patronage to TOP Group. As always, we remain committed to you - our customers and most important stakeholders and continue to improve our offering based on your valuable feedback.

In line with this, we have aligned our prices downwards to make our products more competitive and a better value generator for you all. However, we continue to maintain same levels of high quality and service as before and strive to continuously improve it. We have also added over 800 new products to strengthen our portfolio in scooter segment and enable you to have the complete range of products under the reliable umbrella of TOP brand.

As you might be aware, we have been manufacturing quality body parts under different entities of the group since 2011. As part of our efforts to serve our customers under a single brand entity, we have consolidated our product portfolio and price list for spare parts as well as body parts. This shall help us in serving you as a one point stop for all your needs for two wheeler parts.

We are also delighted to announce that we have initiated some process reengineering projects supported by latest and best in class technology to realign our service delivery - from order booking to fulfillment and from customer service to communication - to enhance your overall experience of conducting business with TOP Group. As always, customers, ethics and brilliance remain our guiding light in all over new initiatives.

We pray to Almighty to continue to bless our association and may it grow from strength to strength in times to come.

WITH WARM REGARDS
