ABOUT US

Headquartered at the national capital of New Delhi, the TOP Group is the youngest and fastest growing Company in the Indian automotive industry. Since its establishment in 1990, the Group has gradually cemented its spot as one of the most reliable spare parts producer for the automotive industry in India and abroad. Under the competent leadership of Managing Director, Mr. Sandeep Kapur, the Company has experienced unprecedented growth and has further established itself as the leader in the OEM industry.
